

2019 HIGHER LEARNING COMMISSION / UW-MADISON INSTITUTIONAL ACCREDITATION PROJECT

Site Visit March 25-26, 2019

Materials deadline: October 1, 2018

We all bear responsibility for successful accreditation.

What you can do...

- Familiarize yourself with the criteria and accreditation process.
- Respond promptly if asked for information by a member of the core team.
- If you work in an area that is directly relevant to the criteria and components and you haven't been contacted for information, be proactive about checking in with the project director.
- Ensure your practices around program and curriculum align with the Higher Learning Commission criteria (<http://www.hlcommission.org/Policies/criteria-and-core-components.html>).
